

NUOVE SERIE CIVILI SYSTEM
NEW WIRING ACCESSORIES SERIES

A hand is shown from the bottom, with the index finger pointing upwards. The tip of the finger is positioned directly in front of the word 'ALLUMDA', which is rendered in a blue, pixelated, digital font. The background behind the hand is a dark horizontal band containing the word 'ALLUMDA' in the same pixelated font. The rest of the background is a light grey gradient.

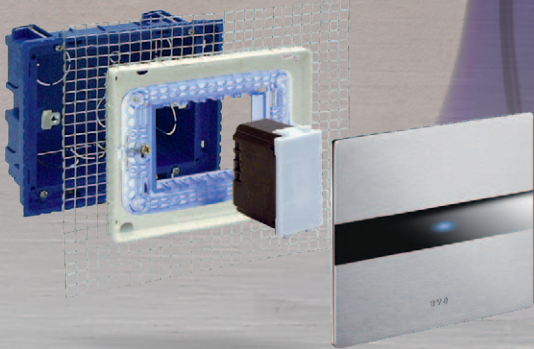

ALLUMDA

IZDANJE 2012

ALLUMIA®
AVE TOUCH

patentirano patented

INSTALACIJA U RAVNI SA ZIDOM WALL-LINED INSTALLATION

Posebno patentirana ugradna kutija omogućava savršenu instalaciju u ravni sa zidom (patent Ave br. 209).

A special patented flush mounted box allows a perfect wall-lined installation (Ave patent n° 209)

ALLUMIA DODIRNITE EMOCIJU.

TOUCH AN EMOTION.

Vođeni nežnim LED svetlom, vaši prsti lagano dodiruju površinu Allumia, svetlo se uključuje, magično, laganim dodirnom. Uključite vaša čula sa AVE-om, stigla je uzbudljiva tehnologija. Upotreba anodiziranog i brušenog aluminijuma zajedno sa "Ave touch" komandama na dodir i jedinstvenim dizajnom, daje život novim predmetima (Ave patent br. 227, br. 211 i br. 208).

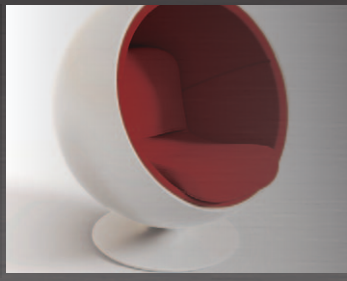

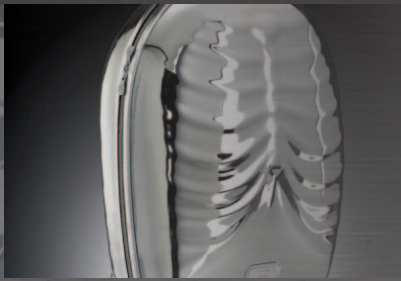

Driven by the soft LED light, your fingers gently touch Allumia surface, the lights turn on, magic, under your soft touch. Light up your senses with AVE, the emotional technology has come. The use of anodised and brushed Aluminium together with "Ave Touch" technology give life to new objects, with unique design (Ave patent n° 227, n° 211 and n° 208).

ZVONO BELL

Zvono serije Ave Touch obeležava ulazak u ekskluzivan prostor i pre nego što u njega stupite.

Ave Touch bell marks the entry in an exclusive environment even before going in.

UTIČNICE sa kliznom maskom Socket outlets with sliding plates

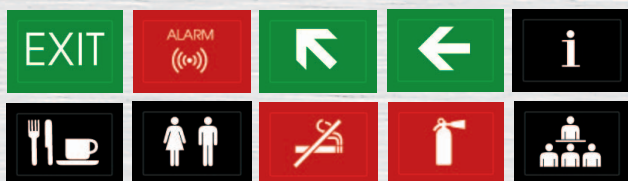

Inovativni sistem kliznih maski sakriva električne utičnice garantujući jedinstven dizajn i veću bezbednost (patent Ave br. 212).

An innovative system of sliding plates covers the socket outlets and provides a unique design and a higher protection (Ave patent n° 212).

Elegantan sistem pomoćne signalizacije za javne prostore koji se može prilagođavati pomoću različitih simbola.

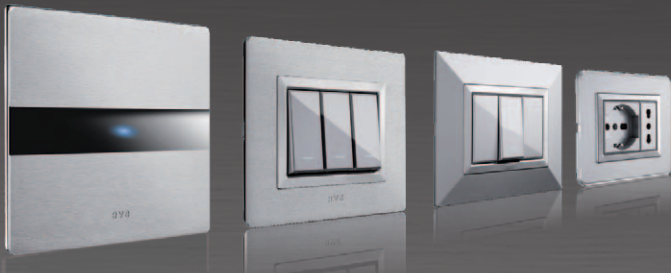

An elegant system of customizable auxiliary signals with different types of symbols suitable for public areas.

Osnovni simboli koji su na raspolaganju za signalizaciju u javnim prostorima.
